A partire dal 15 febbraio ai candidati verrà inviata una e-mail contenente il link e le credenziali attraverso cui potranno visionare il proprio questionario on line.

La commissione procederà all'accertamento dell'ammissibilità delle domande dei candidati che hanno superato la prova preselettiva (i primi 220 classificati), oltre a quelle dei candidati esonerati dalla stessa. Se verrà accertata l'inammissibilità di una o più domande presentate dai candidati che hanno superato la preselezione, la graduatoria scorrerà di un numero corrispondente di candidati, compresi tutti coloro che abbiano riportato lo stesso punteggio dell'ultimo candidato ammesso.

**La graduatoria definitiva della prova preselettiva verrà pubblicata al termine della suddetta verifica, contestualmente alla convocazione della prova scritta.**

Sesto Fiorentino, 14 febbraio 2024

**Il Presidente della Commissione**
